Mr. Frank Vera

Dear Mr. Vera,

This is in response to your 22 January 2012, Freedom of Information Act request for a complete un-redacted copy of the report "Interviews with Individuals Knowledgeable of Past Hazardous Waste Disposal at Norton Air Force Base, California", Norton AR file 110. 1591.

The Air Force Historical Research Agency (AFHRA), the Air Force Real Property Agency (AFRPA), and the Air Material Command performed a detailed search for the records you requested and have found no responsive documents to your request. Therefore, a "no records" determination is made. If you can provide any additional information to which Air Force agency is associated with your request, we can conduct another research for requested records.

Should you decide that an appeal to this "no records" response is necessary, you must write to the Secretary of the Air Force, Thru: HAF/IMIO (FOIA), 1000 Air Force Pentagon, Washington DC 20330-1000, within 60 calendar days from the date of this letter. Include in the appeal, your reasons for reconsideration, and attach a copy of this letter.

The AFHRA and AFRPA have recommended that you submit your FOIA request to the Department of the Army or the Army Corps of Engineers FOIA offices.

If you have any questions please call me at (703) 693-2579 and refer to case #2012-01621-F. There are no assessable processing fees associated with this case.

Sincerely
